## NESCAFÉ YOUR WAY

There's nothing quite like that first cuppa to kick off a productive workday. Below you'll find the names of your team and how they take their Nescafé or favourite hot drink. So, whether it's your turn to put the kettle on, or you'd simply like to surprise them with their favourite brew, you'll know how to make it just the way they like it!

### FUN FACT

Coffee helped Brazil go to the Olympic Games! In 1932, the Brazilian government didn't have the money to send their athletes to the Olympics. So, they funded the trip by selling coffee! They loaded up a ship of coffee beans with the aim of selling them to California on their way!\*
